

Celebrations of completion of surgeries of 2500 children at free of cost in 10 years

The organization has completed funding 2500 heart surgeries of poor children in 10 years , on this occasion an event has been organized on 19th March'15 at Hotel Daspalla, Hyderabad, to share the experiences and feedback by the parents and also to raise funds to support more cases in this year.

Ms. Priya Madduri, a second year Medico from Gandhi Hospital, has taken an initiative to raise funds for Hrudaya and expressed her interest for the same. Priya is good at making baked/bakery items, during the students' festival week (September 2015) in her college – Gandhi Medical College, Hyderabad, she put up a stall in which she kept 800 different varieties of baked items (made by her with her family members' support at home) for sale and all the proceeds (Rs. 62,000/-) donated to save a child through Hrudaya foundation. Her effort to raise funds for this noble cause was more appreciated by the board of trustees.

Donors and donations :

she interacted with the families of children who underwent heart surgery and also the children waiting for surgery.
