#### I. Brief about the organization

Hrudaya Cure A Little Heart Foundation provides financial aid to the children of 0 days to 12 Years of age who are from Below Poverty Line suffering with congenital Heart Disease. These children will be provided medical, surgical and financial support at identified medical facilities.

To help poor children with congenital and acquired heart diseases, access modern medical care. And to treat their disability and give them a fighting chance to lead normal healthy lives Hrudaya Cure A Little Heart Foundation established in 2005 by Dr Gopichand Mannam and his Like minded friends Mr Yugandhar Meka, Mr Jaira Kumar P and Dr Mithra P.

Since inception, Hrudaya has made the difference and brought back smiles to more than 5400 families of children suffering with Heart diseases.

#### II. Brief about ongoing projects / location

Supporting Heart surgeries of poor children in India .They cannot afford the financial burden of the treatment. There are many children suffering with Congenital Heart Disease and waiting for support for treatment in both states of Telangana and Andhra Pradesh. The disease burden is so great that 80% of these children are waiting for Medical help.

#### III. Summary of Funding
